Hi,

Due to numerous court obligations, our general policy is if the case is definitely going forward and a jury has been empaneled, please have the ADA or a staff member contact us and we can make the necessary arrangements. Typically we ask that you give us about 1 hour or so lead way time to get to the courthouse.

As for this case, could you provide me with the Lab#associated with this case? And if the case does go forward, if we can make arrangements for me to be there for 2:00pm that would be great. I live in the vicinity of the courthouse.

Thanks in advance for your assistance.

Annie
